About

Tara

Tara L. Paige is a celebrated entrepreneur, educator, and community builder with over 30 years of professional experience. With 16 years as a teacher and 15 years in the airline industry, Tara's expertise in **leadership, teamwork, and engagement** makes her a sought-after voice for corporate and educational audiences alike.

As the **founder of Black Women Who Love Outdoor Living Spaces™**, a thriving **community of over 244,000 women**, Tara has redefined connection and empowerment through creativity and innovation. Her brand, **The Patieaux Chick**, inspires others to transform spaces into reflections of beauty and unity.

Tara's background in education and corporate operations equips her to deliver transformative talks on leadership, team-building, and community. Her work has been celebrated by **Forbes, House Beautiful, and D Magazine**, and she continues to inspire growth, resilience, and excellence in every space she touches.
